

The Sexual Violence Prevention Program (SVPP) - *designed to address Campus SaVE Act requirements and augment your campus's programs, policies and procedures.*

Customizable Content Designed to:

- ✓ Define consent and provide realistic examples to increase understanding
- ✓ Identify signs of abusive behaviors and provide strategies to prevent harm
- ✓ Support victims of sexual violence
- ✓ Encourage respondents to become active, responsible bystanders
- ✓ Build skill, confidence and motivation to intervene in risky situations
- ✓ Provide your campus's resources and define your policies and procedures
